

## Issues

| #   | Project | Tracker     | Status      | Priority  | Subject  | Assignee     | Updated             |
|-----|---------|-------------|-------------|-----------|--|--------------|---------------------|
| 109 | ProCKSI | Bug         | New         | Immediate | Many methods not available   |              | 05/15/2016 06:31 PM |
| 111 | ProCKSI | Bug         | New         | High      | Results download and analysis  |              | 10/18/2016 09:59 AM |
| 99  | ProCKSI | Bug         | New         | High      | 250 structures limit for N:N comparison  | Paweł Widera | 10/01/2011 07:42 PM |
| 93  | ProCKSI | Bug         | New         | High      | Uninitialized label in Max-CMO module for non-standard chain names             | Paweł Widera | 11/26/2008 05:16 PM |
| 91  | ProCKSI | Bug         | New         | High      | Request submission needs database transactions                                 | Anonymous    | 07/15/2008 02:25 PM |
| 90  | ProCKSI | Enhancement | New         | High      | Generalise CGI Scripts   | Anonymous    | 07/04/2008 10:38 AM |
| 89  | ProCKSI | Enhancement | New         | High      | PDB Caching  | Anonymous    | 07/04/2008 10:18 AM |
| 56  | ProCKSI | Enhancement | New         | High      | Integrate JMOL   | Anonymous    | 11/21/2007 01:34 PM |
| 55  | ProCKSI | Bug         | New         | High      | Pagination   | Anonymous    | 11/21/2007 01:28 PM |
| 37  | ProCKSI | Enhancement | New         | High      | Improve performance using mod_perl   | Anonymous    | 07/18/2007 10:36 AM |
| 36  | ProCKSI | Bug         | New         | High      | Old PBS torque log files must be compressed or deleted                         | Anonymous    | 11/27/2007 09:41 AM |
| 33  | ProCKSI | Enhancement | New         | High      | Dependencies of Output Files   | Anonymous    | 11/27/2007 10:07 AM |
| 31  | ProCKSI | Enhancement | New         | High      | Further information for structures   | Anonymous    | 11/23/2007 03:59 PM |
| 27  | ProCKSI | Enhancement | In Progress | High      | Help pages and tooltips  | Anonymous    | 11/23/2007 04:00 PM |
| 20  | ProCKSI | Bug         | In Progress | High      | Unsuccessful calculation of big data set                                       | Anonymous    | 11/27/2007 09:58 AM |
| 8   | ProCKSI | Enhancement | In Progress | High      | Automatically check jobs in PBS  | Anonymous    | 08/06/2008 05:16 PM |
| 113 | ibw     | Bug         | New         | Normal    | Copying a file in the project navigator creates a new entry but not a new file |              | 09/11/2018 11:45 AM |
| 112 | ProCKSI | Support     | New         | Normal    | MaxCMO   |              | 06/25/2018 09:54 PM |
| 110 | ProCKSI | Support     | New         | Normal    | Unable to open .jnlp files   |              | 10/03/2016 05:52 AM |
| 92  | ProCKSI | Bug         | New         | Normal    | PDB chain is not initialized   | Paweł Widera | 11/20/2008 07:44 PM |
| 87  | ProCKSI | Task        | New         | Normal    | New Results Manager  | Anonymous    | 06/12/2008 10:51 AM |
| 80  | ProCKSI | Enhancement | In Progress | Normal    | Status update for "Waiting" page in Dataset Manager                            | Anonymous    | 04/10/2008 11:09 AM |
| 41  | ProCKSI | Bug         | New         | Normal    | Feature to make system globally unavailable                                    | Anonymous    | 07/31/2007 05:23 PM |
| 34  | ProCKSI | Enhancement | New         | Normal    | Scheduling: queue vs. cron job   | Anonymous    | 08/02/2007 09:16 AM |
| 30  | ProCKSI | Bug         | New         | Normal    | Check domain name of email address before accepting request                    | Anonymous    | 11/23/2007 04:00 PM |
| 28  | ProCKSI | Enhancement | New         | Normal    | Uploading similarity matrices  | Anonymous    | 07/09/2007 10:17 AM |
| 88  | ProCKSI | Bug         | New         | Low       | Colour-coding protein distance and similarity matrices                         | Anonymous    | 06/17/2008 03:46 PM |
| 7   | ProCKSI | Enhancement | New         | Low       | Start new calculation for single missing results                               | Anonymous    | 07/16/2007 10:14 AM |
